BALLARAT PRAYER WALK

A Six-Day Prayer Journey for Our City — October 21–26, 2026

Ballarat Ministers Network • Churches of Ballarat

How to Use This Plan

Daily rhythm — Aim to walk for 15–30 minutes in your own neighbourhood, or use Google Maps / Street View if mobility is limited.

Prayer points — You don't need to cover all five each day — choose two or three that resonate and pray them deeply.

Worship songs — Listen before or after your walk to set your heart toward worship. Each song title in the digital version is a clickable link straight to YouTube.

Extended reading and devotional — Use these for a longer quiet time if you'd like to go deeper.

Community — Try pairing up with someone from your own church to share reflections and pray together each evening.
